Please find attached a list of vendors that the Office of Emergency Management has found during the current pandemic may have personal protective equipment (PPE) available for purchase. Please note that while we hope to assist your agency in locating reliable sources for PPE during this difficult time, currently the supply chain for these products is strained beyond capacity, and this list is provided as a courtesy and for informational purposes only and not a guarantee that the products are available. In addition, this list does not constitute or imply Nassau County's recommendation or endorsement of these vendors. Nassau County is not responsible if a vendor defaults, fails to perform, or if you are not satisfied with their services in any way.
